1st Portuguese-Italian Defence Industries Days

July 2 & 3 – Rome

We are pleased to announce that registration is now open for the 1st Portuguese-Italian Defence Industries Days, in Rome on July 2–3, 2025.

This initiative aims to strengthen bilateral relations between Portugal and Italy in the defence industry by promoting the exchange of information on national procurement programmes, integrating entities into supply chains, and fostering partnerships and consortia for future applications to the European Defence Fund.

The event will feature site visits to Italian companies, as well as opportunities for B2B and B2G meetings.

- Participation is limited to one representative per company, with priority given to industrial profiles. All registrations are subject to validation by the organising entities and confirmation of registration.
- Participants are strongly encouraged to stay at the official event hotel, where all logistical and transport support will be centralised. The accommodation package (approx. €355) includes lodging and meals from July 2 (meeting point at Rome airport at 11:30) through lunch on July 3. A booking link will be provided in the registration confirmation email.
