Atlantic Centre at audience in Brazil

The new coordinator of the Atlantic Centre (AC), Rear-Admiral Nuno de Noronha Bragança, visited Brazil, between 11 and 13 April, in the context of the visit of the Minister of National Defence, Helena Carreiras, to LAAD Defence & Security 2023 - International Defence and Security Exhibition, in Rio de Janeiro.

During the visit, the AC coordinator was present at the presentation "Portugal and Brazil in a changing international order: challenges and opportunities", held by the Minister of National Defence, which took place at the War College of that city.

The visit also included an audience with the Brazilian Navy, in the person of Admiral Wladmilson Borges de Aguiar, with the purpose of discussing the country's participation, namely the Navy, in future activities of the Centre.
