Atlantic Centre at the 2nd Hydrography Conference of the CPLP in Cabo Verde

Between November 5th and 8th, as part of the 2nd Hydrography Conference of the CPLP, organized in Cabo Verde on the island of São Vicente, the Atlantic Centre (AC) was represented by Dr. Bernardo Calheiros and Dr. Francisco de Arantes e Oliveira, with the aim of presenting the Centre's projects and activities to the hydrographic community of the CPLP.

The conference, which had 60 participants, brought together representatives from the delegations of Angola, Brazil, Cape Verde, Guinea-Bissau, Mozambique, São Tomé and Príncipe, and Portugal, as well as several institutions from the PALOP countries, the IHO (International Hydrographic Organization), the CP-COI-UNESCO (Portuguese Committee for the Intergovernmental Oceanographic Commission of UNESCO), the IALA-WWA (International Association of Marine Aids to Navigation – World-Wide Academy), and IIC Technologies.

In addition, the AC delegation visited the headquarters of the Cabo Verde Coast Guard, where they were received by its Commander, Captain Armindo Graça.
