2 December 2025

Last Friday, 28 November, the Atlantic Centre - represented by its Coordinator, Rear Admiral Nuno de Noronha Bragança - signed a protocol with the Institute of Social and Political Sciences of the University of Lisbon (ISCSP) - represented by its President, Professor Ricardo Ramos Pinto.

The signing of this protocol reflects a shared commitment to cooperation between the two institutions, with the aim of jointly carrying out academic, scientific, technical, pedagogical, and cultural activities in areas of common interest, marking an important step in strengthening institutional relations.

We welcome this new partnership with ISCSP, which reinforces our shared mission to promote a more collaborative and dynamic Atlantic community.
