Atlantic Centre presented at Estoril Political Forum

The Atlantic Centre was presented at the Estoril Political Forum, by Rita Costa, on the 28th of June, in the presence of its Coordinator, Admiral Noronha Bragança.

The upcoming Report on Great Power Competition in the Atlantic, was presented in the forum in a panel dedicated to research projects. The report is coordinated by Professor Proença Garcia, of the Institute for Political Studies of Universidade Católica Portuguesa.

The presentation consisted of a sneak peek of the upcoming report, encompassing an overview of its concept and of the researchers and institutions involved.

This report will be formally presented at the Atlantic Centre's V Seminar, taking place in October this year.
