## **AC part of the G7++ Friends of The Gulf of Guinea 2023 Maritime Security Plenary**

From 4 to 7 December in Dakar, Senegal, the Atlantic Centre took part in the maritime safety plenary organised by the G7++ Friends of The Gulf of Guinea.

Under the theme of IUU Fishing - an Atlantic Wide Challenge, the panel, presented by the Atlantic Centre, was made up of experts from various countries with visions and understandings of this issue that are appropriate to their region and resources, and the project promoted by the Atlantic Centre: "Investigation on IUU Fishing for young researchers" was presented.

This was an important participation in strengthening dialogue and cooperation, building solutions and understandings to address joint challenges common to the 23 countries that are part of the Atlantic Centre.
