### **Atlantic Centre meets with EMSA**

On 21 March, the Atlantic Centre's (AC) Coordinator met in Lisbon with Maja Kostelac, Executive Director of the European Maritime Safety Agency (EMSA).

The purpose of this meeting was to underline solid partnerships and friendships, while also seeking to outline common objectives for both institutions. Further discussed was the IV Maritime Security Course, organised by the AC in collaboration with other partners, which will take place from 26 to 31 May on the Terceira Island in the Azores under the theme of illegal, unreported and unregulated fishing.
